	STIPULATION TO MODIFY CASE MANAGEMENT ORDER Case No. C 09-03485 LHK		

The parties request approval of a stipulation for a modest continuance of the deadlines for class
 certification expert disclosure and rebuttal class certification expert disclosure in order to facilitate
 settlement discussions before the Honorable Edward A. Infante (ret.). The stipulated extension
 requires no modification of the deadlines for the class certification motion or any other deadlines set by
 the Court.
 On May 9, 2011, the parties and counsel made substantial progress in their second mediation
 session before Judge Infante, and are continuing discussions through Judge Infante. The parties are

scheduled to appear before the Court for a Case Management Conference to report on the status of the settlement discussions on May 25, 2011.

The current deadline for class certification expert disclosure is May 13, 2011, and the current deadline for the rebuttal disclosure is June 17, 2011. The deadline for filing the class certification motion is July 14, 2011, with the Opposition due by August 25, 2011, the reply due by September 15, 2011, and the hearing set for September 29, 2011. The date for trial is April 23, 2012.

In order to focus their resources on attempting to complete a settlement, the parties stipulated to extend the expert disclosure date from May 13 to June 10, 2011, and the rebuttal expert disclosure date from June 17 to July 15, 2011. The parties submit that this stipulated extension has and will continue to facilitate settlement negotiations and that it will not result in a need to continue other scheduled dates should the case not settle, and therefore that there is good cause for the extension.

On January 26, 2011, the Court issued a scheduling order modifying the pretrial schedule originally set by the Honorable James Ware in his order of February 25, 2010. Since the January 26, 2011 Order, the parties sought one other modification of the pretrial schedule: the parties stipulated to extend the date for taking a Rule 30(b)(6) deposition for approximately one month. The deposition was taken on the newly agreed upon date.

A declaration from Joshua Konecky in support of this request is enclosed.

1. I am an attorney in good standing licensed to practice in the Northern District of California and am attorney of record in Ortiz v. Home Depot U.S.A., Inc., Case No. C 09-03485 LHK (N.D. Cal.). I make this declaration based on my own personal knowledge and, if called to do so, could and would competently so testify in court.

2. On May 9, 2011, the parties and counsel made substantial progress in their second mediation session before Judge Infante and are continuing discussions through Judge Infante. The parties are scheduled to appear before the Court for a Case Management Conference to report on the status of the settlement discussions on May 25, 2011.

3. In order to focus their resources on attempting to complete a settlement, the parties stipulated after the mediation session to extend the expert disclosure date from May 13 to June 10, 2011, and the rebuttal expert disclosure date from June 17 to July 15, 2011. This stipulated extension has facilitated settlement negotiations and we believe that it will continue to do so.

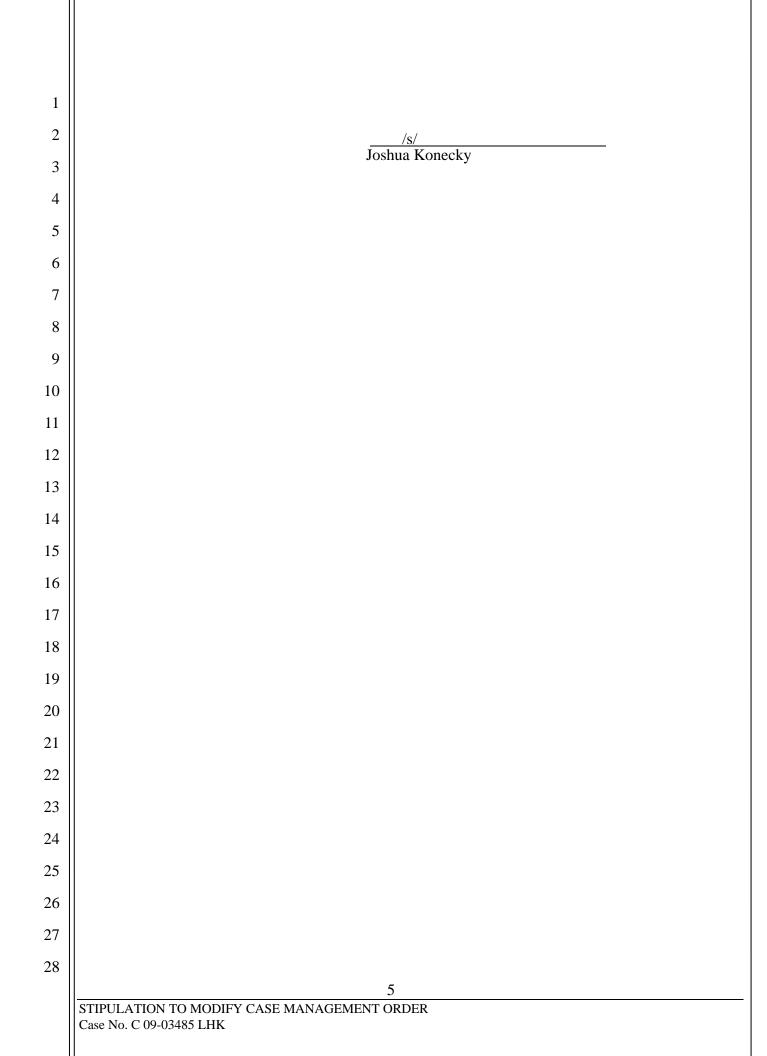

4. The parties and counsel do not believe that the continuance of expert disclosure deadlines and reports will impact their ability to meet the current discovery and motion practice deadlines.

5. In addition to the Case Management Order entered on January 26, 2011 (see dkt. No. 50), the following time modifications have been made by the Court, upon motion or by stipulation: (1) plaintiffs' motion for continuance of Case Management Conference (see dkt. no. 10); (2) stipulation to extension of time for Defendant to file answer to amended complaint (see dkt. no. 13); (3) stipulation to extend time for mediation (see dkt. no. 36); and (4) stipulation to extend time for taking Rule 30(b)(6) deposition (see dkt. No. 36).

Defendant's counsel Bill Allen has authorized Plaintiffs' counsel to sign the joint 6. 24 motion on her behalf.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 13th day of May, 2011, in San Francisco, CA.
