On February 4, 2011, Defendant AlliedBarton Security Services LP moved for summary judgment. Dkt. No. 60. A hearing on AlliedBarton’s motion was set for March 24, 2011. Under Civil Local Rule 7-3, Plaintiff Mary Yarum had until March 3, 2011 to file either an opposition or a statement of nonopposition to AlliedBarton’s motion. As of this Order, Yarum had not filed either an opposition or a statement of nonopposition. The Court notes, however, that the Certification of ADR Session, filed February 18, 2011, represents that the parties fully settled their dispute through mediation. Dkt. No. 65.
