I, Andrew P. Bridges, declare pursuant to 28 U.S.C. § 1746:

- 1 I am counsel of record for Plaintiffs and a partner with the law firm of Winston & Strawn LLP.
- 2. Plaintiffs filed their reply brief supporting their preliminary injunction motion on May 3, 2010. On May 3, 2010 and again on May 5, 2010, Defendant and third-party McGrath Power produced additional documents. In these productions, Defendant produced approximately another 9,200 pages and McGrath Power produced approximately 27,000 pages. Plaintiffs did not have the opportunity to incorporate these documents into their reply brief. Plaintiffs nonetheless believe that the Court should have the opportunity to review a small number of these documents before the hearing on Plaintiffs' preliminary injunction motion. I attach them to this declaration.
- 3. Exhibit 1 to this declaration is a true and correct copy of the document that third party McGrath Power produced in this litigation starting with Bates number MP025816. (UNDER SEAL)

- 4 Exhibit 2 to this declaration is a true and correct copy of the document that third party McGrath Power produced in this litigation starting with Bates number MP025175. (UNDER SEAL)
- 21 22 23
 - 5. Exhibit 3 to this declaration is a true and correct copy of the documents that
- 26 Defendant produced in this litigation starting with Bates numbers FG00034534 and FG00034536. 27 (UNDER SEAL)

Chandra,

Can you have your team play with this?

"The Internet is Everything"

It came to me at the gym. Could be our tagline for the CrunchPad... or minimally a slide to use after "the iphone changes everything"

thanks
