STIPULATION

Pursuant to Civil L.R. 6-2, Plaintiff TECHNOLOGY LICENSING CO. INC. (“TLC”) and Defendant BEST BUY CO., INC. hereby stipulate to a second continuance of the Initial Case Management Conference in this matter.

The Initial Case Management Conference is currently set for April 27, 2010, at 1:30 PM.

Plaintiff and Defendant are continuing to attempt to settle this lawsuit. Plaintiff initially mis-identified the name of one of the allegedly infringing products. Plaintiff and Defendant have been conferring, and have now identified Plaintiff’s said targeted product on April 13 (two days ago). The parties are currently in the process of exchanging and/or researching information about the allegedly infringing product, manufacturer(s) of that product, and any licenses or other agreements that may affect settlement.

The parties agree that a cost-effective approach to this lawsuit is to seek a second continuance of the Initial Case Management Conference to May 25, 2010, at 1:30 PM, or to whatever date and time thereafter as set by the Court.

This is the second request for a time modification of the Initial Case Management in this matter.

The present requested time modification does not appear to have material effect on the schedule for this case.
