12 FRED JOHN LANDEROS,)	No. C 10-00286 JW
13 Plaintiff,)	STIPULATION OF SETTLEMENT; PROPOSED ORDER
14 v.)	
15 UNITED STATES OF AMERICA, et al.,)	
16 Defendants)	

17
18 IT IS HEREBY STIPULATED by and between plaintiff Fred John Landeros
19 (“plaintiff”) and defendant United States of America, as follows:

- 20 1. The parties do hereby agree to settle and compromise the above-entitled personal
 21 injury action under the terms and conditions set forth herein.
- 22 2. The United States of America, defendant, agrees to pay to plaintiff the sum of
 23 Ten Thousand Dollars (\$10,000) x ~ ~ ~ ~ (“Settlement
 24 Amount”), which sum shall be in full settlement and satisfaction of any and all claims,
 25 demands, rights, and causes of action of whatsoever kind and nature, arising from, and by
 26 reason of any and all known and unknown, foreseen and unforeseen bodily and personal
 27 injuries, loss of consortium, damage to property and the consequences thereof, resulting, and to
 28 result, from the same subject matter that gave rise to the above-captioned lawsuit, for which

1 plaintiff or his heirs, executors, administrators, or assigns, and each of them, now have or may
2 hereafter acquire against the United States of America or its agents, servants, and employees.
3 There shall be no withholding from the Settlement Amount. Plaintiff understands that any
4 questions as to tax liability, if any, as a result of this payment is solely between plaintiff, his
5 attorneys, and the Internal Revenue Service.

6 3. Plaintiff and his heirs, executors, administrators or assigns hereby agree to accept the
7 Settlement Amount in full settlement and satisfaction of any and all claims, demands, rights,
8 and causes of action of whatsoever kind and nature, arising from, and by reason of any and all
9 known and unknown, foreseen and unforeseen bodily and personal injuries, loss of consortium,
10 damage to property and the consequences thereof which they may have or hereafter acquire
11 against the United States of America or its agents, servants and employees on account of the
12 same subject matter that gave rise to the above-captioned lawsuit. Plaintiff and his heirs,
13 executors, administrators or assigns further agree to reimburse, indemnify and hold harmless
14 the United States of America and its agents, servants or employees from any and all such causes
15 of action, claims, liens, rights, or subrogated or contribution interests incident to or resulting
16 from further litigation or the prosecution of claims by plaintiff or his heirs, executors,
17 administrators or assigns against any third party or against the United States of America.

18 4. This stipulation for compromise settlement is entered into by all parties for the
19 purpose of compromising disputed claims and avoiding the expenses and risks of litigation and
20 does not constitute an admission of liability or fault on the part of the United States of America
21 or its agents, servants, or employees on account of the events described in plaintiff's complaint
22 in this action.

23 5. This agreement may be pled as a full and complete defense to any subsequent action
24 or other proceeding which arises out of the claims released and discharged by this agreement.

25 6. It is also agreed that the Settlement Amount to plaintiff paid by the United States of
26 America represents the entire amount of the compromise settlement and that the respective
27 parties will each bear their own costs, fees, and expenses and that any attorney's fees owed by
28 the plaintiff will be paid out of the settlement amount and not in addition thereto.

1 7. It is also understood by and among the parties that, pursuant to Title 28, United
2 States Code, Section 2678, attorney's fees for services rendered to plaintiff in connection with
3 this action, if any, shall not exceed 25 per centum of the Settlement Amount.

4 8. Payment of the settlement amount will be made by check payable to
5 Fred John Londeros and his attorney, Eric Hartman.

6 9. In consideration of the payment of the Settlement Amount and the other terms of this
7 Stipulation, plaintiff agrees that he will, within seven days of this agreement, execute a
8 Stipulation of Dismissal in the above-referenced Action, which stipulation shall dismiss, with
9 prejudice, all claims asserted in this Action or any claims that could have been asserted in this
10 Action. The fully executed Stipulation of Dismissal will be held by counsel for defendant and
11 will be filed with the Court upon receipt by plaintiff's attorney of the Settlement Amount.
12 Plaintiff is advised that settlement check may not be available for eight to ten weeks after
13 approval of the settlement by the court. The United States of America will have no obligation
14 to deliver the Settlement Amount until the fully executed Stipulation of Dismissal is provided
15 to defendant's counsel.

16 10. Plaintiff hereby releases and forever discharges the United States of America,
17 the Department of Veterans Affairs, and any and all of their past and present officials,
18 employees, agents, attorneys, their successors and assigns, from any and all obligations,
19 damages, liabilities, actions, causes of actions, claims and demands of any kind and nature
20 whatsoever, whether suspected or unsuspected, at law or in equity, known or unknown, arising
21 out of the allegations set forth in plaintiff's pleadings in this action.

22 11. The provisions of California Civil Code Section 1542 are set forth below:

23 "A general release does not extend to claims which the creditor does not know or
24 suspect to exist in his favor at the time of executing the release, which if known
25 by him must have materially affected his settlement with the debtor."

26 Plaintiff, having been apprised of the statutory language of Civil Code Section 1542, and fully
27 understanding the same, nevertheless elects to waive the benefits of any and all rights he may
28 have pursuant to the provision of that statute and any similar provision of federal law. Plaintiff

1 understands that, if the facts concerning injuries or liability for damages pertaining thereto are
2 found hereinafter to be other than or different from the facts now believed by him to be true,
3 this agreement shall be and remain effective notwithstanding such material difference.

4 12. The parties agree that this stipulation is intended to be a full and final settlement of
5 all claims arising out of the allegations set forth in plaintiff's pleadings in this action. Plaintiff
6 agrees to indemnify and hold harmless defendant United States of America from any and all
7 claims, demands, obligations, liens, and lawsuits brought against the United States of America,
8 its agencies or employees, arising out of the allegations set forth in plaintiff's pleadings in this
9 action.

10 13. This instrument shall constitute the entire agreement between the parties, and it is
11 expressly understood and agreed that the agreement has been freely and voluntarily entered into
12 by the parties hereto. The parties further acknowledge that no warranties or representations
13 have been made on any subject other than as set forth in this agreement. This agreement may
14 not be altered, modified or otherwise changed in any respect except by writing, duly executed
15 by all of the parties or their authorized representatives.

16 14. The parties agree that, should any dispute arise with respect to the implementation
17 of the terms of this agreement, plaintiff shall not seek to rescind the agreement and pursue his
18 original causes of action. Plaintiff's sole remedy in such a dispute is an action to enforce the
19 agreement in the United States District Court for the Northern District of California.

20 15. Each party hereby stipulates that he has been represented by and has relied upon
21 independent counsel in the negotiations for the preparation of this agreement, that he has had
22 the contents of the agreement fully explained to him by such counsel, and is fully aware of and
23 understands all of the terms of the agreement and the legal consequences thereof. For purposes
24 of construction, this agreement shall be deemed to have been drafted by all parties to this
25 agreement and shall not, therefore, be construed against any party for that reason in any
26 subsequent dispute.

27 16. The signatories to this agreement have actual authority to bind the parties.
28

1 17. If any provision of this agreement shall be invalid, illegal, or unenforceable, the
2 validity, legality, and enforceability of the remaining provision shall not in any way be affected
3 or impaired thereby.

4 18. This settlement agreement may be signed in counterparts.
5 19. Attached Addendum to Stipulation of Settlement, incorporated herein.
