which were not filed with the Court.

- 3. A total of forty-seven (47) class members objected to the settlement. Twenty-one (21) of those objections are on file with the Court. The remaining twenty-six (26) objections were not filed with the Court but are attached hereto as Exhibits per the following paragraphs.

  Technically, these objections do not comply with the Court's Second Amended Order Preliminarily Approving Class Action Settlement (Dkt. 50) (Oct. 7, 2010), which required objectors to file their objections with the Clerk of Court. *Id.* at ¶9. Nonetheless, Class Counsel does not oppose the Court's consideration of these objections and files them herewith to facilitate that process.
