REPLY DECLARATION OF GARY E. MASON

To: Clerk of the United States District Court
for the Northern District of California
San Jose Division
280 South 1st Street
San Jose, CA 95113

OBJECTION TO GOOGLE SETTLEMENT
NO: 5:10-cv-00672-JW

I object to the proposed settlement

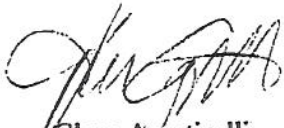

These Class action lawyers are looking to only line their own pockets with money. Under the proposed settlement the individuals affected by Google's actions receive NOTHING. The lawyers however, receive 25% of 8.5 million and additional 2500.00 for associates named by them totaling approximately 3+ million dollars. That is a joke! Let me guess the Attorneys will decide how the remainder of the settlement will be distributed as well?

If the Court doesn't decide to award every individual affected by Google's actions (the ones who deserve it) then please consider the following:

Judgment for 8.5 million to a charity of the courts choice and all attorneys will be credited for the Pro Bono work, so if the people represented get NOTHING the attorneys get nothing as well

I ask that the Court does what's right and put an end to the frivolous lawsuits that benefit only the attorneys

Sincerely,

Glenn Agostinelli
