Dear court members:

I want to be excluded from *In re Google Buzz User Privacy Litigation*, No. 5:10-cv-00672-JW.
I'm not agreeing with the settlement Google has made. I do not like any part of it. Google
automatically enrolled Gmail users in Buzz, and that Buzz publicly exposed my data,
including users' most frequent Gmail contacts, without enough user consent.
I'm sending an early G mail, I have use as a prove that I been use this service since and a
class member

Sincerely

Julio,

Me quede sin carga, ahora es que vengo a llegar de mi ultimo pez. Te estaba llamando porque me preguntaron el serial number del equipo. Yo hable con Tony y el me dijo que es mejor que tu llames 1-800-454-2725 y pidas hablar con tecnico support para eso de la bombilla yo le comente a Tony que la unidad se estaba apagando y el me dijo que eso era algo del flow rate asi ellos te ayudaran en todo, despues que hables con ellos pidales que te transfieran con Tony. Yo le pedi que lo que necesitaras lo cargaran a mi cuenta incluso el next day delivery.

To: Gary Mason, Esq.

I'm writing to object to the proposed Settlement in *In re Google Buzz User Privacy Litigation*, No. 5:10-cv-00672-JW.

I like to speak in Court about the fairness of the Settlement, and I think the Court should not approve the Settlement made with Google. Because Buzz's launch has giving away my privacy statements. Google have violated (i) the Electronic Communications Privacy Act, 18 U.S.C. §2510 *et seq*; (ii) the Stored Communications Act, 18 U.S.C. §2701 *et seq*; (iii) the Computer Fraud and Abuse Act, 18 U.S.C. §1030 *et seq*; (iv) the common law tort of Public Disclosure of Private Facts as Recognized by California common law; and (v) the California Unfair Competition Law, California Business & Professions Code §17200.

I'm including an early g mail to be considered; as proof that I'm a Class Member;

Sincerely
