Clerk of the United States District Court for the Northern District of California  
San Jose Division  
280 South 1st Street  
San Jose, CA 95113

Your Honor:

I am writing this objection to the lawsuit brought against Google, *In re Google Buzz User Privacy Litigation*, No. 5:10-cv-00672-JW.

I am stating an objection to this lawsuit, as it was an unnecessary claim. Google was quick to respond to the concerns of customers. Google erred, but intended no harm. It seems an uneducated point of view to think that a fund designated to organizations focused on internet privacy will do any more than what Google and similar responsible internet companies have already done predating the Google error and the rolling out of Buzz.

Respectfully submitted,

  
Timothy F. Rockcross, MD
