Mr. Burman,

I am a lawyer in Greater Kansas City. I'd like to object to the attorney fees and amount of settlement, both as being too large. I read that your client cannot object. I plan to file my objection as any court document, but only if it will not derail the settlement, or jeopardize Google's interests.

Please feel free to call or e-mail me with anything you think should be included. I have several gmail accounts, but I'm a little unclear how to 'prove' I am a class member.
