 IN RE: GOOGLE USER PRIVACY LITIGATION

HONORABLE JUDGE,

AMENDED OBJECTION

OBJECT
 I Karen sue llano and RUBATUBLLC ~~opt~~ of this class action lawsuit. We were harmed by this privacy breach
 By GOOGLE. The letter enclosed proves we were the victim of Identity Theft. The name Mohammad KAREN Llano was use to email my Business account demanded funds form out Bank. The quick response by our Bank causes us to notify the credit bureau of the identity theft.

This person used our Google e-mail to contact all of our business accounts and personal friends and family. We allege our privacy is forever compromised. Our constitutional rights have been stolen by this person. Google promised to keep our privacy protected. We will never be able to restore our privacy. The whole world knows our personal business. Our business web-page had to be changed and this caused us a loss of business.

I discussed the settlement offer with Gary E. Mason, attorney for the class action lawsuit. He made it clear that there would be no monetary compensation for us. The only ones to benefit would be the attorneys and agencies to prevent future privacy breaches. This is unfair to all of us that our privacy was breached.

We have reviewed the settlement agreement and on page fifteen number ninety two (b) states the class member would receive statutory damages in the amount of \$100 per day of violation per class member, up to a maximum amount of \$10,000 per class member. Gary E. Mason, attorney confirmed that does not mean, we would receive the alleged dollar amount. This is a false misrepresentation and intentionally to deceive us to stay in the class action lawsuit. This settlement agreement is wrong and will not benefit us that our privacy was breached.

OBJECT
 KAREN SUE LLANO AND HER COMPANY RUBATUBLLC wants to ~~be excluded from~~ this class action lawsuit. We want to file our own lawsuit based on the false misrepresentation and intentionally deceit by the attorneys for the class action lawsuit, *but now want to OBJECT.*

Respectfully submitted,

Karen Sue Llano, Class member

Hello,
How are you? I'm so sorry I did not inform you about this before, I actually made it personal and I will be glad if I could confide in you because I dont want people to be worried over this. Kindly make it confidential for me. I'm presently in Scotland since last night and am having some problems here because I got my wallet misplaced on my way to the hotel I lodged. My money and other valuable things were kept in the wallet. I would have called you but there is no phone on me and I have limited access to internet. I got no fund on me because I have to block my account immediately the incident happen. Please I will like you to assist me with a soft loan of £1,500pounds or any amount you could afford to sort-out my hotel bills first and to get myself back home. I have reported the case to the embassy here and they are taking necessary measures but I will appreciate whatever you can afford to assist me with and I'll refund you the money as soon as I return. Please let me know if you could help me with the money or any amount you can afford. For the main time, you can reach me via my email because I'm at an internet Cafe now.

You can help me transfer the money directly into my western union account using my name and the address below. After the transfer, just email me the money transfer control number [MTCN]. I will greatly appreciate your positive and fast response.

Name: Mohammed KAREN LLANO
Address: 1 William Street, Glasgow, United Kingdom G3 8HT.
