UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

ELMO SHROPSHIRE, d/b/a/ ELMO
PUBLISHING,

Plaintiff,

v.

AUBREY CANNING, Jr., and PATRICIA
TRIGG d/b/a KRISS PUBLISHING,

Defendant.

Case No. 5:10-CV-01941-LHK

**~~PROPOSED~~ ORDER GRANTING MOTION
FOR EXTENSION OF TIME TO FILE
STIPULATION OF DISMISSAL OF
DEFENDANT PATRICIA TRIGG**

Under this Court's Case Management and Minute Order, issued August 25, 2011, by September 8, 2011, the parties were to file a stipulation of dismissal with respect to Patricia Trigg. *See* Dkt. #87. However, if, by September 8, 2011, the parties are not able to file a stipulation of dismissal, they were to file a joint status report explaining why additional time is necessary and setting forth a new deadline by which they will file a stipulation of dismissal with respect to Ms. Trigg. While the parties have reached an agreement in principle, Mr. Shropshire has not yet had the opportunity to execute the Settlement Agreement and requests a 10-day extension. The Court finds an extension warranted.
