1 WHEREAS on December 1, 2010, plaintiff Genentech, Inc. (“Genentech”) and defendant the
2 Trustees of the University of Pennsylvania (“the University”) filed a Joint Stipulation and Proposed
3 Order to Extend the Deadline for Compliance with A Portion of the Court’s November 22 Order
4 (Dkt. No. 45) from November 30, 2010 to December 7, 2010; and

5 WHEREAS the parties had wanted the deadline extension, in part, to discuss whether there is
6 a way to limit Genentech’s production of regulatory materials, other than the BLA Submissions (as
7 that term is used in the Court’s November 22 Order), to avoid the production of irrelevant materials;
8 and

9 WHEREAS, the parties are still addressing the proper scope for production of the regulatory
10 materials and believe that an additional extension would benefit their discussion; and

11 WHEREAS, if the parties are unable to reach agreement, Genentech reserves the right to
12 move for reconsideration of the Court's Order;

13 THE PARTIES THEREFORE AGREE as follows:

- 14 1. The deadline for Genentech to comply with the following sentence in the Court’s
15 November 22, 2010 Order, now set for December 7, 2010 is extended an additional
16 week to December 14, 2010:

17 "In addition, to the extent there is responsive electronic data other than
18 the BLA Submissions in Defendant’s possession, custody or control
19 that is responsive to Document Request No. 36, Plaintiff shall either
20 produce the unredacted data to Defendant by November 30, 2010, or
21 else file a declaration by that date showing why it cannot do so and
22 setting forth the earliest possible date that it will be able to do so."

- 23 2. The deadline for Genentech to file a Motion for Reconsideration of the Court’s Order,
24 now set for December 7, 2010 is extended an additional week to December 14, 2010.
25
26 3. No other provision of the Court's November 22, 2010 Order is changed.
