**ORDER THAT CASE BE REASSIGNED  
TO A DISTRICT JUDGE**

[Re: Docket No. 17]

On April 4, 2011, Plaintiffs filed a motion for a default judgment against Defendant Miller Electric & Technology, Inc. (“MET”). This case is assigned to a magistrate judge. Magistrate judges, however, have authority to order the entry of judgment in a case only upon consent of the parties. *See* 28 U.S.C. § 636(c)(1). Plaintiffs consented to magistrate judge jurisdiction on April 8, 2011. MET, however, has filed neither a consent nor a declination. Because Plaintiffs have applied to this court for final disposition against a party who has not consented to the jurisdiction of the magistrate judge,
