CHRISTIANITY

The belief that a cosmic Jewish Zombie who was his own father can make you live forever if you symbolically eat his flesh and telepathically tell him you accept him as your master, so he can remove an evil force from your soul that is present in humanity because a rib-woman was convinced by a talking snake to eat from a magical tree... yeah, makes perfect sense.

Mein Gott! I hope the new makeup covers up my weird eyes that look so demonic. Now, on to talking about how evil wealth and power is!

Now let us sing, 'Every sperm is sacred, every sperm is good,'

God
of the
Hebrew Bible

Old Testament: God creates the universe and he sees if and it's serious business, but then Satan pretends to be a snake and tricks Eve, telling her "Apple or GFIC?" (but she was already showing tits). She chooses the former and then her and her fuck, buddy Adam, get b4 from Eden for being traitors! Then a lot of serious fucking incest occurs and we get the human race (which explains a lot, really)

Then later, God gets uber pissed about Pharaoh Hitler puning the Jews, so he gives Moses some great codes for the universe. Moses stages a mass slave runaway and opens up the sea so the Jews can run through, closing it behind him and drowning the ancient nazis. God felt!

Some other less important shit happens, mostly composed of a bunch of faggots writing emo poetry about God for him to fap to.

New Testament: God finds Mary sleeping and just sticks the tip in and drops his load. Nine months later, Jesus is born. For his 13th birthday, God gave Jesus more cheat codes than he gave Moses, plus the root password for life, and some CP.

Later, Jesus became a hard core ska punk and troled the old school Jews hard. They got super pissed and perma-banned him with a cross and some nine-inch nails. They forgot he had god mode turned on though, so he waited 3 days and not via_restart on the root panel, came back into life's server, and laughed at the Jews.

After that, a more guys bet the same story, then this faggot Paul wrote an assload of shit about sex, being evil and a bunch of other stuff that Jesus never fucking said but everybody listened to Paul anyway because they're stupid.

Let a woman learn in silence with full submission. I permit no woman to teach or to have authority over a man; she is to keep silent.
