Judge: Hon. Edward J. Davila

1 Pursuant to 28 U.S.C. § 1746, I, Paloma Gaos, hereby declare and state as follows:

2 1. I am a Class Representative in the above-captioned action.

3 2. In October 2010, I spoke with Class Counsel Kassra Nassiri and provided him with
4 information regarding my experience with and concerns about using Google as a search engine.

5 3. Thereafter and before the filing of the Complaint, I provided substantial assistance
6 to Mr. Nassiri in aiding his investigation.

7 4. Before agreeing to bring this lawsuit, I considered the likely time commitment
8 involved as a named the representative in a class action. I concluded that attempting to right what I
9 believed to be an unlawful wrong perpetrated by Google, and securing relief for others who had
10 similarly been wronged, was the proper course of action.

11 5. Thus, I was willing to participate in and accept all of the responsibilities and risks
12 attendant within bringing a representative action.

13 6. At no time before or during this litigation did I enter into any agreement concerning
14 any possible incentive award as a Class Representative. At no time before or during this litigation
15 and subsequent settlement was I led to believe that I would necessarily receive any incentive
16 award, let alone any specific amount.

17 7. I was contacted by Class Counsel on numerous occasions during the course of this
18 litigation to answer questions, provide documents, verify the accuracy of certain allegations, and
19 generally assist with the litigation of this case.

20 8. At no time did I condition my agreement to the proposed settlement of this matter
21 on receiving any incentive award, let alone any specific amount.

22
23 I declare under penalty of perjury under the laws of the United States of America that the
24 foregoing is true and correct.

25 Dated: July 24, 2014
