Case No. 11-CV-0171 (PSG

-1-

Pursuant to Civil Local Rules 6-1 and 6-2, Plaintiff Solannex, Inc. ("Solannex") and Defendant MiaSolé respectfully request that the Court enter the stipulation Enlarging Time for the filing of the Patent L.R. 4-3 Joint Claim Construction and Prehearing Statement. The parties AGREE AND STIPULATE to extend the deadline for such exchange from Monday, October 10, 2011 until Wednesday, October 12, 2011.

1. Reason for the Request

The parties are continuing to negotiate in a an attempt to limit the claim terms in dispute and hope to reach agreement on these terms soon. Therefore, in order to simplify the claim construction process, the parties have agreed to extend the deadline for the exchange of preliminary claim constructions by one court day. Because the initially scheduled due date falls on a court holiday, October 10, 2011, a one-day extension of the filing date results in a due date of October 12, 2011.

2. Prior Time Modifications

The time for MiaSolé to answer or otherwise respond to the Complaint was previously extended by 30 days. The Initial Status Conference was previously extended by 15 days from February 28 to March 15. Solannex was allowed to supplement its May 10, 2011 infringement contentions 48 days later, on June 27, 2011. MiaSolé's invalidity contention deadline was previously extended by 17 days from June 24, 2011 to July 11, 2011. On August 19, 2011, pursuant to a stipulated scheduled agreed to by the parties, the Court entered a Second Amended Case Management Order that, *inter alia*, extended the claim construction deadlines such that the claim construction hearing was extended by approximately three and one half months. The subsequent dates were also extended such that the trial date was extended by approximately two and one half months. The parties stipulated and the court granted a two-day extension for the Patent L.R. 4-2 Exchange of Preliminary Claim Constructions from September 19, 2011 to September 21, 2011.
