 21 Plaintiffs Orange County Electrical Industry Health and Welfare Trust Fund; Local Union
 22 No. 441 of the International Brotherhood of Electrical Workers; and Douglas Chappell, as Trustee
 23 of the Trust Fund ("Plaintiffs") and Defendant Action Electric Corporation ("Defendant")
 24 (collectively, the "Parties"), by and through their respective counsel of record, hereby stipulate as
 25 follows:

26 WHEREAS, Plaintiffs filed the above-titled action on February 8, 2011, to which
 27 Defendant has timely filed an Answer on March 18, 2011;

28 WHEREAS, the Court's February 16, 2011 Case Management Order (Docket #7) sets forth

1 a number of scheduling and case management deadlines, as follows: (1) Case Management
2 Statement due by 5/4/2011 (which requires the parties to conduct Rule 26(f) conference and
3 exchange Initial Disclosures prior to the Case Management Conference); and (2) Case Management
4 Conference held on May 11, 2011 at 2:00 p.m.;

5 WHEREAS, the Parties have begun to engage in good faith settlement negotiations to
6 attempt early resolution of this action.

7 IT IS HEREBY STIPULATED AS FOLLOWS:

8 In light of the Parties' settlement negotiations and the upcoming case management
9 conference (and associated Rule 26(f) conference and Initial Disclosure deadlines), the Parties
10 believe it is in the interest of judicial economy and in the Parties' best interests to conserve their
11 resources and focus their efforts on settlement efforts as opposed to litigating this matter, and
12 therefore requests that all upcoming case management deadlines (including the CMC scheduled for
13 May 11, 2011) be VACATED and the CMC continued for 90 days to enable the parties to attempt
14 to reach an early settlement. The Parties therefore request that the Court re-set the CMC for
15 August 9, 2011 (or another date soon thereafter convenient for the Court) at which point the Court
16 can make further scheduling orders as necessary.

17 SO STIPULATED.
