23 _____
 24 Plaintiff and Defendants in the above entitled matter hereby stipulate and jointly
 25 request that the court extend the current Scheduling Order dates for one hundred and
 26

1 twenty (120) days, for the following reasons:

2 1. Several depositions are still in the process of being rescheduled. Some of them started
3 but were not completed due to running out of time. Officer Banister's deposition was
4 scheduled and had to be rescheduled and is still in the process of being set up.

5 2. The Grand Jury transcripts for the testimony of several material witnesses have still
6 not been ordered by the Honorable Superior Court Judge Loftus to be produced yet. Such
7 testimony will be necessary and relevant for motions for summary judgment that are likely to
8 be filed up by both parties. The signed Amended Stipulation and Order received by this court
9 was forwarded to Judge Loftus, as he requested, and it has yet to be signed. Once that is
10 signed by Judge Loftus, then County counsel will be requesting the production of the Grand
11 Jury Transcripts pursuant to Judge Loftus order. Once those transcripts have been produced,
12 then this court will be in a position to review transcripts *in camera* for production to the
13 parties.

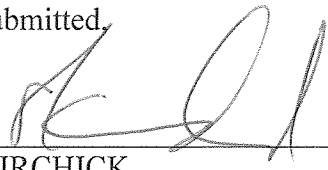

14 As such, the current dates needed to be extended for at least one hundred and twenty
15 (120) days.
