“AWESOME!!”

★★★★★

So far after a month I believe this is the best phone I ever had! I had a previous Galaxy model and an iPhone too. This goes beyond my expectations! I stop using my tablet, my netbook and forgot about...

“amazing phone but needs slll specs!!”

★★★★★

what an amazing mid-way point between a smart phone and a tablet ("phablet"), the size is perfect with its massive 5.3" amoled screen, the only down fall is it was brought to the shelves the same time...
