### Galaxy S with Android 2.3

Do you want the whole world in your hands? How about the whole universe? Tens of thousands of apps populate Google Play™ -- everything from popular games to productivity tools to constellation maps. Powered by the Android platform this phone fully integrates with Google Mobile Services. You're now at one with your Gmail account, Google Maps, YouTube videos and more.

**Please note:** Captivate users with Android 2.1 & 2.2, an update to Android 2.3 (Gingerbread) is available. View [upgrade instructions](#).

### Super AMOLED 4" Touchscreen

Your world just got brighter and you don't even need shades. Experience HD-quality video recording that's clearly detailed, extraordinarily vivid and astonishingly colorful on the brilliant 4-inch Super AMOLED screen. Movies, games and websites all come to life even in broad daylight thanks to an anti-reflective screen. One of the thinnest, most responsive smartphones in the world, it also uses less power and has a longer battery life.

### Green guides show you the way

In an effort to provide our customers with the latest in technology and the best user-experience, we've provided a new environmental-friendly alternative to a printed paper guide. Virtual Guides provide a "one-stop" support experience with everything from User Guides, Support Videos, Commercials, and Simulations. Take the our next step in going green.

[SGH-I897 Captivate Galaxy S Virtual User Guide - ENGLISH](#)

### Integrated Social Networking Capabilities

This phone integrates your email, social networking and phone contacts into one address book -- and combines your Google Calendar and social networking calendars. Also, you can instantly post your status and upload pics to Facebook, MySpace and Twitter with the Feeds & Updates app, as well as instantly see recent posts from friends and family on your home screen thanks to Buddies Now.

### “Excellent product”

The phone did everything I needed it to do and more. Even after 2 years of use I only had a few minor problems with it. It's durability is great, I can't tell you the number of times it was dropped and it never cracked or quit working. Even with using the phone all day for games and etc, the battery...[Read More »](#)

### “My first Smart Phone”

When this first came out I was excited about it. I love Samsung so it was a choice to go Android or Windows. Glad I went Android! The features are great, the screen was beautiful and most importantly I never dropped a call! When it came time to upgrade, I stuck with Samsung mainly because I'm a loya...[Read More »](#)

### “The best phone i have ever seen.”

The phone is very durable. It freezes up once and a while. but i think that is do to the apps, I downloaded. some apps will make your phone do crazy thing. This model is better than the Galaxy S 2. The locking back is a great feature....[Read More »](#)
