Android 2.3 Platform

Google Play™: 250,000 apps and rising. Here you'll find useful apps for every aspect of your life – from popular games to travel guides to financial tools., the WiFi-enabled Epic 4G gives you Gmail, YouTube, Google Maps, Google Search and other great Google Mobile apps – not to mention the rest of the Web – at a touch. Speaking of Google Search, use voice-activated search to tell the Epic 4G what you're searching for and watch it serve up results based on your location (when GPS is enabled).

Super AMOLED™ Touchscreen

The Samsung Epic paints a bright picture for movie lovers with a spacious 4-inch Super AMOLED display. The anti-reflective, anti-smudge and anti-scratch screen delivers vivid, colorful and crystal-clear resolution for the best HD-like viewing experience – even outdoors on a bright and sunny day – for an ultra brilliant performance every time. The Super AMOLED screen also uses less power for improved battery life.

Green guides show you the way

In an effort to provide our customers with the latest in technology and the best user-experience, we've provided an new environmental-friendly alternative to a printed paper guide. Virtual Guides provide a "one-stop" support experience with everything from User Guides, Support Videos, Commercials, and Simulations. Take the our next step in going green.

“Overall a great phone to have!”

When i first got the phone i wasn't to sure if i was going to keep it or not. But the more i started to browse around on it, the more i started to love it. And the reason why is because i work and go to school. And it helps me plan and stay up to date with every aspect of my life the features are wo...[Read More »](#)

“AWESOME”

This phone rocks. My wife got the evo shift and that phone is a piece of junk compared to the epic. I know my next phone will be of course a samsung galaxy class phone....[Read More »](#)
