Subject: Apple v. Samsung (N.D. Cal.) - Shortened Time on Samsung's Forthcoming Motion to Clarify

Dear Rich:

Samsung intends to move to clarify those portions of the Court's June 30, 2012 Order Denying Samsung's Motion for Summary Judgment that interpreted Judge Grewal's Order Granting in Part and Denying in Part Apple's Motion to Strike as applying to prior art references themselves, as opposed to certain opinions proffered by Samsung's experts that were based on those prior art references. *E.g.*, Dkt. 1159 at 30, 32, 35. Samsung will file its motion today. Samsung intends to seek a shortened period of time in which Apple must respond, whereby Apple's opposition, if any, would be due on July 20. Samsung is prepared to waive its reply brief so that the matter may be heard at the July 24 final pretrial conference. Please advise by the close of business today whether Apple will oppose Samsung's request for shortened time.

Regards,

Adam
