13 Apple reserves the right to object to the production of documents on any basis, including
14 that the information sought: (i) is not relevant; (ii) is protected from disclosure by an applicable

24 enhanced or treble damages for Samsung's deliberate and willful infringement, and pre- and
25 post-judgment interest, in addition to a preliminary and permanent injunction. However, the
26 amount of damages arising from Samsung's willful infringement is not ascertainable at this time,
27 some or all of the injuries are ongoing, and the computation of damages may require discovery

1 and expert testimony. Apple also claims damages as a result of Samsung's anticompetitive
2 conduct and unlawful business acts and practices, including its failure to offer Apple a license on
3 fair, reasonable and non-discriminatory (FRAND) terms to Samsung's claimed standards-
4 essential patents. In addition, pursuant to Section 4 of the Clayton Act and/or Section 16750 of

9 appropriate. These fees and costs and amount of any other relief that may be deemed appropriate
10 are not susceptible to calculation at this time.

12 Apple is currently unaware of any insurance agreement under which an insurance
13 business may be liable to satisfy all or part of a possible judgment in this action or to indemnify
14 or reimburse Apple for payments made to satisfy such a judgment.
