Cc: Samsung v. Apple
Subject: Apple/Samsung: request for stipulation on a briefing schedule

Rich,

Samsung will be filing its request for review *de novo* of Judge Grewal's Order of July 25 later today along with a Motion for Adverse Inference Against Apple. Samsung will seek shortened briefing schedule on both motions. Please advise by 5:00 pm whether Apple will agree to the following briefing schedule:

- Apple's Opposition to Samsung's Motions be filed on or before July 31;
- Samsung's reply in support of its Motions be filed on or before August 3;
- Samsung's Motions will be heard on August 6, 2012, or at the Court's convenience.

Thank you.
