I, JASON R. BARTLETT, declare as follows:

I am a partner in the law firm of Morrison & Foerster LLP, counsel for Apple Inc.
 ("Apple"). I am licensed to practice law in the State of California and admitted to practice before
 this Court. I have personal knowledge of the matters stated herein or understand them to be true
 from members of my litigation team. I make this declaration in support of Apple's Motion to
 Enforce Court Orders Regarding Sony Designs.

2. Samsung's Trial Brief cites a February 2006 email from Tony Fadell that
circulated a news article concerning Sony. (Dkt. No. 1322 at 1.) Apple produced that email in
November 2011.

3. Samsung's Trial Brief also refers to and includes pictures of CAD drawings by
 Apple that allegedly reflect "Sony style" designs. (*Id.* at 1-2, 6.) Apple produced those CAD
 drawings for inspection in July 2011 and produced physical printouts of the CAD drawings in
 October 2011.

4. My partner Alison Tucher alerted counsel for Samsung this morning by email that
we intended to bring this motion, and asked that they let us know whether they would oppose the
motion. As reflected in the attached e-mail chain, Samsung opposes the motion.

I declare under penalty of perjury that the foregoing is true and correct. Executed this
27th day of July, 2012 in San Jose, California.
