The Court requests that each party file a statement, by 9:00 a.m. on Monday, August 20, 2012, which includes the following information:

- Each party shall provide a chart indicating which types of damages (lost profits, reasonable royalties, or defendant’s profits) each party is seeking with respect to each intellectual property right asserted.
- Each party shall also provide a proposed chart that corresponds with final jury instruction number 61.3. The chart should demonstrate to the jury when the jury may award more than one damage award for devices that infringe multiple intellectual property rights, and when multiple damage awards result in forbidden duplicative recovery.
