Introducing T-Mobile's fastest smartphones, the Samsung GalaxyTM S II and HTC AmazeTM 4G, along with its fastest 4G mobile hotspot, the T-Mobile® SonicTM 4G Mobile Hotspot. All three devices take advantage of T-Mobile's faster 4G (HSPA+ 42) network technology.

The HTC Amaze 4G will feature the most advanced camera experience of any smartphone. The Galaxy S II sports a 4.52-inch Super AMOLED Plus touch screen, the largest screen on a T-Mobile smartphone. And finally, the Sonic 4G Mobile Hotspot enables up to five Wi-Fi enabled devices to connect to America's Largest 4G Network®.

There are so many ways to spend \$4,000 including doing something nice for the people closest to you. If you won T-Mobile's 4G PayDay, how would you use your \$4G's to surprise a loved one? Recent 4G PayDay winner Kevin D. said he would renew his family's Disneyland passes for another year.

You could be the next winner! Text START to 4444 to start playing now. For a list of known winners and official rules, visit <http://t-mobile.com/4GPayDay>.

This Friday, September 16, T-Mobile will take part in gdgt Live!, a free tech event in Chicago that is open to all ages. To celebrate our appearance, we'll be giving away exclusive, white T-Mobile G2x's to attendees at the show, and to our fans at home, via geek trivia on T-Mobile's Twitter account (@TMobile). Let us know what you think about these rare white G2x's.
