Victoria,

Apple will be filing declarations in rebuttal to Samsung's Opposition papers tomorrow. Because the Court's scheduling order of July 18 does not provide for depositions at this stage of the proceedings, your request calls for a modification of the existing schedule. We believe that Samsung should first review Apple's reply declarations before we discuss whether a modification is appropriate. If, after your review, Samsung believes it has grounds to request a modification of the schedule to allow for additional depositions, we should meet and confer on the issue.

Regards,

Jason

**Subject:** Apple/Samsung: Apple's reply brief

Counsel,

Please confirm that Apple's reply brief which is due on September 30 will not be accompanied by reply witness declarations. If Apple does intend to submit such declarations, please identify the dates next week on which these deponents will be available. In asking for the deposition dates, Samsung does not in any way waive its right to move to strike such declarations or to seek any other appropriate relief from the court.

Best Regards,
