Plaintiff and counterclaim-defendant Apple Inc. (“Apple”) and defendants and counterclaim-claimants Samsung Electronics Co. Ltd., Samsung Electronics America, Inc., and Samsung Telecommunications America, LLC (collectively, “Samsung”) stipulate to and request an order sealing the November 1, 2011 hearing transcript regarding: (i) Apple’s Motion for a Protective Order (submitted October 27, 2011) and (ii) Samsung’s Motion to Compel Apple to Produce Documents and Things (submitted October 28, 2011).

At the hearing, regarding the first motion, the parties discussed confidential information at length, including descriptions of, and quotations from, numerous deposition transcripts that Apple has designated as highly confidential under the interim protective order. As for the second motion, the parties’ discussions concerned Apple’s confidential information, including its industrial design process and product development. (See Decl. of Erica Tierney in Supp. of Apple’s Unopposed Admin. Mot. to File Documents Under Seal, D.N. 327-1 ¶¶ 4-8.) This is information that Apple does not disclose or describe, as it is indicative of the way that Apple manages its business affairs and conducts product development and thus can be used by Apple’s competitors to its disadvantage. (Id. at ¶ 9.) Although the courtroom was not sealed during these discussions, only the Court, its staff, and the parties and their counsel were present when these motions were heard.
