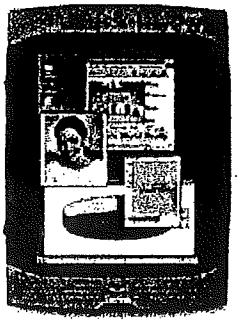
ViewPad 1000



AWARD WINNING

ENLARGE IMAGE

The ViewPad 1000 is a network-ready PC in a tablet form factor featuring built-in WAN, LAN and WiFi™ wireless connectivity. The ViewPad 1000 is ideally suited for value-added resellers and system integrators selling mobile vertical market applications. This innovative device offers mobile access to information whether you're in the office or on the road. And with its built-in digital camera, you can capture, send and receive live images from anywhere. The 10.4" high-resolution touch screen allows easy navigation. And at just 4.3 pounds, you can bring your office with you.

ViewPad™ products in the workplace

See how businesses, just like yours are **using the ViewPad 1000**.
