If you send us a draft of the motion, we will review and let you know. As I am in trial mode, it may make sense to send the draft to other members of the team as well as me. Thx.

Well its no surprise that between you, me and Bill schedules are a huge impediment. I am leaving for Tokyo on Friday and will be out of the country for most of the rest of the month. I think I finally get back on the 27th.

I know that we all have issues we would like to resolve. I will talk to my team, but I suspect we will file an Administrative Motion to ask Judge Koh to let us use the phone. Let me know if you would support such a motion.

Good luck with your trial.

Harold

As I understand Judge Koh's order re meet-and-confer, we need to meet in person. Unfortunately, I am in DC for an ITC trial, which will not conclude until Friday, December 16th. I will be back in the Bay Area and could meet and confer in person on the following Monday, December 19th. Would that work for you?

Is there a time on Monday, Tuesday or Wednesday that we can meet to try to resolve the outstanding discovery issues?

Harold
