Subject: RE: Apple v. Samsung: additional pages for Samsung's opposition to Apple's claim construction brief

Hi Vicki,

Yes -- that is correct. Without any explanation of why such a large page extension is necessary, we intend to oppose.

Thanks. For clarity, should we inform the court that Apple is opposing Samsung's miscellaneous request for additional pages?

Vicki,

As we have previously explained to other attorneys at your firm, Apple believes that the parties should follow the page limits specified in the local rules. Indeed, we prepared our opening brief under that assumption.

By now you should have received a copy of our opening brief, which is within the local rule page limits.

We suggest that you review our brief to determine whether, in fact, any extension (and particularly such a large page extension) truly is necessary.

Rich and Peter,

Please advise whether Apple would stipulate to Samsung's request to the Court for up to additional 12 pages for Samsung's opposition to Apple's claim construction brief. Please get back to us by noon tomorrow.

Thank you.
