### Legal: important information

\*4G speeds delivered by HSPA+ with enhanced backhaul. Available in limited areas. Availability increasing with ongoing backhaul deployment. Learn more at [att.com/network](http://att.com/network). 4G used in connection with the Samsung Infuse product name refers to the fact that the Infuse is capable of operating on AT&T's HSPA+ network with enhanced backhaul described herein.

© 2011 Samsung Telecommunications America, LLC ("Samsung"). Samsung and Infuse are both trademarks of Samsung Electronics America, Inc. and/or its related entities.

\*\*AT&T U-verse Live TV requires mobile broadband service. Service not available in all areas. Programming subject to blackout restrictions. Download and watch capability available for select content requires Wi-Fi connection and is available for viewing for limited time periods.
