Jason,

Thank you for arranging the inspection last Friday. We wanted to confirm that we will definitely need additional time to inspect all the models. Have you heard back from Apple regarding our request below? Thanks for looking into this.

Best regards,  
Brett

Jason,

I believe Anna mentioned that Brett Arnold and I will be coming tomorrow to inspect the physical models, which we understand will be available at the Cypress Hotel in Cupertino starting at 9 a.m. Consistent with past inspections by both parties, we will bring cameras for photographing and/or videotaping the models, which we will retain as work product without disclosure to Apple. Also, as Anna has noted, although we plan to inspect the models tomorrow, we believe that one day is insufficient for inspection of REDACTED. Please confirm that Apple will continue to make these models available for inspection next week, January 17-20.

Thank you,

Dear Jason,

It is not feasible for Samsung to inspect approximately REDACTED in a single day. We will inspect the models this Friday, January 13, and also ask that Apple make the models available next Tuesday through Friday, January 17-20.

Thank you,

Anna
