Dear Jason,

In advance of the production to Apple of discovery relating to Samsung's unreleased products, I write to seek Apple's stipulation to the attached modification to the Patent Local Rule 2-2 Interim Model Protective Order of the United States District Court for the Northern District of California ("Interim Model Protective Order"). For your reference, I have also attached as a PDF the Interim Model Protective Order itself.

Please let me know by Wednesday, June 8, whether Apple agrees to enter into the attached stipulated modification. If not, please let me know whether Apple would be willing to stipulate to the attached modification with edits and please provide the edits that would make the modification acceptable to Apple.

Thank you.

Regards,

Erik Olson
