Al:

Consistent with Judge Grewal's past orders shortening time, there should not be a reply on this motion.

Marc-

Thank you for your latest letter. Because we still do not know Apple's concerns about Mr. Lucente's patent ownership and have not received any proposal to address those alleged concerns, it appears we will have to bring the motion to learn them. As such, we will agree to your proposal to have until Friday to oppose this motion if you will agree Samsung can file a short reply brief on Monday morning. Please let me know your response as soon as possible so we can file the motion tonight.
