Case No.: C 11-1846 LHK (PSG)
**ORDER DENYING AS MOOT
STIPULATED PROPOSED ORDER TO
ENLARGE TIME**
(Re: Docket No. 638)

On January 17, 2012, the parties filed a stipulation requesting that Samsung be permitted additional time to file any objections to an earlier court order related to expert witness review of design-related materials deemed confidential under the parties' protective order.¹ At the time of filing the stipulated request, the parties were awaiting a decision on Samsung's motion for clarification related to the earlier court order. Since the court rendered its decision on that motion in late January 2012,² neither party has taken further action related to the stipulation or to filing objections to the earlier court order. The court therefore finds the request to enlarge time to be moot,

¹ Docket No. 638.
² See Docket No. 673.

1 and hereby DENIES the stipulated proposed order on that basis.
