Marc,

We would be asking the Court to extend the motion to compel deadline twelve days, to March 27. This would only move out the hearing date one week. Also, we granted Rich Hung a 2-day courtesy extension on Apple's discovery responses, and so we would expect Apple to at least agree to moving the motion to compel deadline out by two days. Please let me know whether Apple will oppose.

Thanks,

Diane

Hi Diane:

We would need to see your papers before formally letting you know whether we oppose your motion for administrative relief. Pending that review, I can tell you in concept that we would not oppose the request for leave from the lead counsel in-person requirement, but that we would oppose any request to change the case deadlines.

Wednesday at 1:00 works for us.

Regards,
Marc
