Better Personalization
with TouchWiz®*

Delivering superior multitasking and enhanced user interaction and navigation, Samsung TouchWiz creates a more visual, fluid and intuitive computing experience with these features.

- **Live Panel:** Features a magazine-like widget view to get immediate access to weather, social updates, email, news, etc., right on the home screen. Its visual layout is completely customizable so you get relevant information delivered to you instantly.

- **Mini Apps Tray:** Get easy access to commonly used applications - Task Manager, Calendar, World Clock, Pen Memo, Calculator, Music-which overlay on current activity for powerful multitasking.

- **Clipboard:** Advanced copy paste functionality allows you to store photos, web pages, YouTube links, etc., on the clipboard for easy s email and social updates.

- **Indicator Quick Panel:** Quickly toggle on/off Wi-Fi, notifications, sound, brightness and settings.

Premium Video/Movie Content*

- **Media Hub:**Get access to thousands of movies and TV shows.You pay once and can share the content across five Media Hub-enabled devices, including tablets and smartphones. With Smart Show you can even connect your tablet to your TV via an HDMI

http://www.samsung.com/us/guide-page/galaxy-s/

dongle so you can enjoy your Media Hub content on any HDTV. Plus there's no need to wait for the content to download completely, you can instantly enjoy a diverse selection of movies and TV shows within minutes of starting the download.

- **Google Videos:** Thousands of downloadable movies are available for rental, starting at $1.99.

Books/E-Reading*

Enjoy access to a diverse selection of books, magazines and newspapers.

- **Amazon Kindle:** Access the Kindle store for the largest selection of books, including *New York Times* best sellers. You'll also find sample books and chapters, and free popular classics.

- **Google Books:** Thousands of books are avaialble for purchase through Android Market™. *Pride and Prejudice, Adventures of Tom Sawyer, Alice in Wonderland*, and many public domain titles are already included.

Key Features
