Subject: 796 Investigation: Discovery Correspondence - Cross Use

Counsel -

As you know, the parties have already agreed upon cross use of production documents between the Northern California action, the 796 Investigation, and the 794 Investigation. Apple has considered Samsung's proposal for cross use of Northern California action deposition transcripts in the 796 Investigation and Apple agrees to Samsung's proposal. To be clear, our acceptance of Samsung's proposal is for the 796 Investigation only and does not apply to the use of 796 Investigation transcripts in any other proceeding. This is a one way agreement.

Best regards,
Kristin
