Dear Diane:

This letter is to advise Samsung that Apple has completed its production of documents relating to its efforts to obtain design patents pursuant to and as limited by Part A of the Court's April 12, 2012, Order.

Specifically, Apple has produced all U.S. patent applications and file histories relating to the iPad 2 or the patents-in-suit, and all foreign patent applications and file histories relating to the iPad 2 or the patents-in-suit.

Please let us know if you have any questions.

Sincerely,
