You're never without a range of instant and endless entertainment options when you have your Galaxy S™ 4G. Download and immediately start watching all your favorite movies and TV shows from the Samsung Media Hub. Video games and websites with Flash content are never a problem. With expandable memory of up to 32GB and a larger battery, you will easily have plenty of space and time to enjoy all your favorite pictures and media.

**Video Chats without Buffering**

Stay constantly connected with friends and family from practically anywhere, thanks to the front facing camera with QIK, the popular video chat app from Skype specifically for Android OS based devices. And there's no need for any buffering with T-Mobile's all new 4G network, perfect for video chats. The Galaxy S™ 4G's 5.0 Megapixel rear facing camera shoots sharp photos and HD videos with excellent resolution.

“Great Everyday Phone....”

Since I 1st heard about this phone coming to t-mobile i was excited. Its The 1st Samsung Phone on T-mo To Support 21 Mbps HSPA+ Speeds & Its a Galaxy S Device, So I knew this phone was going to be Awesome. The only thing i didn't like about this phone was the lack of no Camera LED flash. if it would...
