1 On March 22, 2012, the parties attended a mediation for over eight hours. They are
2 continuing discussions with the court-appointed mediator with the hope of resolving the case. In
3 addition, the parties are still exchanging documents and data and scheduling depositions related to
4 class issues.

5 Under the current schedule, plaintiffs' class motion is due on April 5, 2012 with a hearing
6 on May 10, 2012. (Doc. 26.) To allow additional time for the parties and the court-appointed
7 mediator to continue discussions and to allow the parties to complete discovery on class issues,
8 the parties stipulate and request that the class schedule be moved four weeks; specifically,
9 plaintiffs' class motion must be filed by May 3, 2012 to be heard on July 12, 2012 ~~some later~~
10 ~~date that is available for the Court.~~ This change will not affect any other dates in the schedule.
