Bill,

Just wanted to close the loop with you... Were you able to connect with Steve Jobs on Jean-Marie Hullot?

Thanks,

-Jeff

Jeff

Any word from Bill Campbell? I'm getting a bit worried about the chance of losing the rest of the team.

Alan,

I was not expecting this last step to be the easiest one... Let see how it goes with Bill Campbell's help.

I'll continue to take advantage of this interim period to do things one never gets time to do when working! During the next 2 weeks (spring school break in France) I'll be away with my wife and 2 kids trekking in the Himalayas. Once again unlikely to get connected to my email or cell phone on a regular basis.

If there is a positive outcome with Steve during this period - which I hope! - I suggest you send offers to the other guys as soon as you can without waiting for me to be back. It has already been a really long stretch from them between 2 employments and I fear we will start to lose some soon. Let me know by email as well as soon as you know, I might be able to connect to the Internet.

I'll leave tomorrow thursday and will be back in Paris on April 22nd.

Jean-Marie
