Attachments: CCE04282011_00000.pdf

Dear Ms. Alvarez:

Miss Wang is a reasonable lady and long-time friend of mine. I have personally witnessed her pain and suffering since this incident and will assist in any way necessary. Although Miss Wang speaks English, she is better versed in Mandarin Chinese. She therefore requires some assistance in comprehending communications in English. I will assist her and your firm in that regard to the extent required and requested.

Yours sincerely,
