Per the parties' request, the Court hereby advances the Settlement Status Conference set for June 27, 2013 to 1:30 p.m. on June 25, 2013.

The Court requests clarification from the parties as to whether the settlement of STC and Travelers obviates the need for the Court to rule on ECI and PAMCO's Motion for Determination of Good Faith and Order Barring Contribution, ECF No. 256. If the Court must decide ECI and PAMCO's motion, the parties shall recommend when the Court should do so.

IT IS SO ORDERED.
