

1 and interrogatory responses designated as confidential by Tessera. The Sony's motion  
2 accordingly contains confidential and commercially sensitive information which overcomes the  
3 right of public access to the record. A substantial probability exists that protection of the  
4 commercially sensitive information will be prejudiced if the redacted portions of Sony's Motion  
5 are not sealed. The proposed sealing is narrowly tailored because Sony seeks only to seal the  
6 redacted portions which comprise less than 10 full lines of the Motion. Because the only way to  
7 effectively prevent the deleterious effects of disclosing the confidential, commercially valuable  
8 information is to seal Sony's Motion, no less restrictive means exist to achieve the overriding  
9 interest of the parties in the protection of their confidential and commercially valuable  
10 information.

11 2. Additionally, Exhibits A-E to the Declaration of Aaron Moore in support of  
12 Sony's Motion for Relief from Non-dispositive Pretrial Order of Magistrate Judge Lloyd  
13 constitute documents that contain confidential and commercially sensitive information and have  
14 been produced as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL – OUTSIDE COUNSEL  
15 ONLY" pursuant to the protective order in this case (Dkt. 41.) As the entirety of these  
16 documents are confidential, the sealing has been narrowly tailored because the only way to  
17 effectively prevent the deleterious effects of disclosing the confidential and commercially  
18 valuable information is to seal these exhibits. No less restrictive means exist to achieve the  
19 overriding interest of the parties in the protection of their confidential and commercially valuable  
20 information.

21 3. Sony shall file the unredacted version of Sony's Motion and Exhibits A-E to the  
22 Declaration of Aaron Moore under seal.

23 4. Documents filed under seal shall remain sealed unless and until this Court orders  
24 otherwise.

25 IT IS SO ORDERED that Sony's Administrative Motion for Leave to File Documents  
26 Under Seal is GRANTED. Any member of the public has the right to challenge the sealing of a  
27 particular document subject to this Order.
