MOTION FOR JOINDER

HRL

COMES NOW, Petitioner, through pro'se, respectfully requesting this Honorable Court pursuant to the Federal Rules of Civil Procedure, Rule 20(a)(1). In support states the following:

Pursuant to this Rule which allows for permissive joinder where it states; [Plaintiffs.] "Persons may join in one action as plaintiffs if: "(A) they assert any right to relief jointly, severally, or in the alternative with respect to or arising out of the same transaction, occurrence, or series of transactions or occurrence; and (B) any question of law or fact common to all plaintiffs will arise in the action."

Plaintiff makes this request for joinder in this controversy, due to the efficiency it would provide to this Court and the related claim within the class action already in dispute against FACEBOOK Inc.

Plaintiff wants to avoid the possibility of being barred from this complaint separately on the grounds that such action constitutes (Multiplicity of Suits). Plaintiff respectfully request that joinder is made if this Honorable court deems it

appropriate to consolidate these claims.

Respectfully submitted
