Late on March 13, 2014, Samsung filed an “administrative motion” for limited additional claim construction regarding the term “means for transmission of said captured video over a cellular frequency” in claim 15 of the ’239 patent. Although Samsung’s motion is not in fact an “administrative motion” under Civil Local Rule 7-11, Apple shall respond by Monday, March 17, 2014. The Court requests that Apple address in its response the question as to whether construction of this term, and means-plus-function terms generally, is required by law; whether additional expert discovery and motions would be necessitated by Samsung’s proposed additional
